Time to bring in Baby New Year!

HAPPY 2017

Hold on a minute... What do we do about Baby Old Year?
"Baby Old Year?"
Yeah.
HAPPY 2017

No one really talks about it, but every New Year baby is supposed to mature over time.
For some reason, 2016 just... didn't.

2016 never grew up?
Well, it definitely "grew", but...
THWOOM!
THWOOM!

No matter how big it got, it still sucked.
2016
SUCK
SUCK
OH GOD, 2016 WANTS TO TAKE US DOWN WITH IT! RUN!!!
